

RMA#:
Campbell Scientific, Inc.
815 W 1800 N
Logan, UT 84321-1784
USA

Shipping Label Instructions:

1. If your RMA number does not appear above, please type or write it in.
2. Cut along the dotted line.
3. Tape all four edges of the label to your shipping container.

Note: If you use a standard labeling system for shipments, you can use the information above. Your label must include your RMA number and appear prominently on your shipping container.
